## Tablets & Smart Phones

iPad, iPhone, Kindle Fire, Nook tablets, Android devices

---

1. Install the OverDrive app from [app.overdrive.com](http://app.overdrive.com), then open the app and sign up for an OverDrive account.
2. From the app's main menu, select "Add a Library" and follow the prompts.
3. Once your library is added to the app's main menu, select it to open the Wisconsin's Digital Library (WDL) website.
4. Search WDL for an e-book that interests you and select "Borrow."
5. The title(s) you have borrowed will display under "Bookshelf."
6. Select "Read" to open the e-book in your browser, or select "Download" and choose:
  - "EPUB" to download and add the title to your app bookshelf
- OR**

  - "Kindle" to complete checkout on Amazon.com and send the e-book to your Kindle device or Kindle app.
7. Enjoy!

---

Note: The following instructions only apply to "basic" e-readers — e.g. those with monochromatic screens. More advanced e-readers are covered by the first set of instructions.

---

## Kindle E-readers

1. Open the Wisconsin's Digital Library (WDL) website: [dbooks.wplc.info](http://dbooks.wplc.info)
2. Search WDL for an e-book that interests you and select "Borrow."
  - Note: Not all e-books are available in Kindle format. To narrow your search, use "Advanced Search."
3. The title(s) you have borrowed will display under "Bookshelf."
4. Select "Download" and choose "Kindle" to complete checkout on Amazon.com. (Sign in to your Amazon account if necessary.)
5. Select your Kindle from the "Deliver to" drop-down menu, then select "Get library book."
6. The e-book is sent to your device or reading app.
  - Note: Library e-books are only synced with Kindles via Wi-Fi.
  - If Wi-Fi is not available, or if an e-book cannot be transferred via Wi-Fi, you may need to transfer the e-book from a computer to your Kindle using its USB cord.
7. Find the e-book on your Kindle's home screen.
8. Enjoy!

---

## Nook E-readers & Other E-readers

1. Install Adobe Digital Editions (ADE) on your computer: [www.adobe.com/products/digitaleditions](http://www.adobe.com/products/digitaleditions)
2. Search WDL for an e-book that interests you and select "Borrow."
3. The title(s) you have borrowed will display under "Bookshelf."
4. Select "Download" and choose "EPUB" or "PDF." A file will download.
5. Open the file to download the e-book and open it in ADE.
  - Note: The first time you do the following, you will be prompted to create an account and authorize your computer and device.
6. Connect your device to your computer via its USB cord.
7. From within ADE, drag the e-book icon to the icon that represents your device.
8. The e-book will transfer to your device.
9. Enjoy!
