Most of September and October is filled with Big Read events. The Big Read is our annual series filled with thought-provoking programs and engaging conversation, all centered around a single book. Other than **Oct 1, Nov 16 and Nov 18**, the events below delve into topics covered in *Wise Gals*, by Nathalia Holt. They also work well as standalone programs, so please don't hesitate to attend, even if you are not reading the book!
